SUBJ: RESPONSE TO AGENCIES COMMENTS ON THE PHASE 1B ECOLOGICAL RISK  
ASSESSMENT WORK PLAN, FIELD SAMPLING PLAN, AND QUALITY ASSURANCE  
PROJECT PLAN, ENGINEERING FIELD ACTIVITY WEST, HUNTERS POINT ANNEX,  
27 SEPTEMBER 1995

Encl: (1) Phase 1B Ecological Risk Assessment Final Work Plan, Hunters Point Annex, 27 Sep 1995  
(2) Phase 1B Ecological Risk Assessment Final Field Sampling Plan, Hunters Point Annex,  
27 Sep 1995  
(3) Phase 1B Ecological Risk Assessment Draft Final Quality Assurance Project Plan, Hunters  
Point Annex, 27 September 1995

1. Enclosures (1) through (3) are provided for your information in one binder. The binder also includes a separate section with the response to agencies' comments. These comments have been incorporated into the above enclosures. Enclosures (1) and (2) have been reviewed by the agencies twice; once at the Draft stage, and again at the Draft Final stage. The Navy feels all of the agencies comments have been adequately addressed in the Final documents. Although there is no requirement by the agencies to comment on a Final document, the Navy is open to continuing discussions with the agencies to improve the quality of the ecological risk assessment being conducted at Hunters Point Annex.

2. Through a meeting/telephone conference on 20 September 1995, and in response to EPA's comments on the Draft Quality Assurance Project Plan (QAPP), the Navy proposed a revised table listing the new screening levels for the chemical constituents. The revised levels were accepted by the attendees and were incorporated into the Draft Final QAPP. The primary purpose of this meeting was so that the Navy may procure laboratory based on the QAPP to enable the field work to begin in late-October. For this reason, if the agencies have any comments on the Draft Final QAPP, it is requested that the agencies provide comments as soon as possible but not later than 27 October 1995. Again, the Navy feels that the comments and concerns expressed by the agencies have been incorporated into this Draft Final QAPP through a series of consultations with the agencies, and that a Final QAPP need not be issued.

3. If you have any questions, the point of contact is Mr. Dave Song, Code 1832.3, at (415) 244-2561.
